Румиела Маркова / Румарк /

- ☞ За да кажем какво се случва в момента, в който говорим, употребяваме сегашно продължително време.
- ☞ За да образуваме това време, използваме глагола **to be (am, is, are)**, а на основния глагол, изразяващ действието, поставяме окончанието – **ing**. Например:
I am reading. They are singing.
- ☞ За да образуваме отрицанието, поставяме **not** след **am, is, are**. Основният глагол си остава на мястото. Кратките форми са **I'm not, you aren't, he isn't...**
You are not writing, you are drawing.
You aren't writing, you're drawing.
- ☞ За да зададем въпрос, започваме с **am, is, are**, например:
Are you writing? Are they singing?
- ☞ При кратките отговори не повтаряме основния глагол:
Are you drawing? Yes, I am. / No, I'm not.
- ☞ Правопис: **eat - eating** **close - closing** **sit - sitting**
read - reading **dance - dancing** **run - running**
